

## **ANNOUNCEMENT #1**

### **RFP 21-196 – ACP-EU Programme (Pacific): Enhancing capacity for the sustainability of cultural and creative industries in the Pacific.**

*“SPC’s general conditions are standard grant clauses which can, where the situation requires, be adapted at the time of signing the grant agreement. The intellectual property clause contained in these terms and conditions can in no way be interpreted as a claim by SPC to all moral rights in an artistic work produced by a beneficiary under a grant awarded. SPC acknowledges at all times the copyright in an artistic work but reserves the right to seek non-commercial exploitation rights of the works”.*
