Part 1: INTRODUCTION

1.1 About the Pacific Community (SPC)

The Pacific Community (SPC) is the principal scientific and technical organisation of the Pacific region, established by treaty in 1947 with the signing of the *Agreement Establishing the South Pacific Commission* (the Canberra Agreement).

Our unique organisation covers more than 20 sectors and is renowned for knowledge and innovation in such areas as fisheries science, public health surveillance, geoscience and conservation of plant genetic resources for food security.

For more information about SPC and the work that we do, please visit our website: <https://www.spc.int/>.

1.2 SPC's procurement activities

SPC's procurement activities are guided by the principles of high ethical standards, value for money, open competition and social and environmental responsibility and are carried out under our Procurement Policy.

For further information or enquiries about SPC's procurement activities, please visit the procurement pages on our website: <https://www.spc.int/procurement> or email: procurement@spc.int

1.3 SPC's Request for Quotation (RFQ) Process

At SPC, procurement valued at more than EUR 2,000 and less than or equal to EUR 45,000 requires an evaluation of at least three quotations to determine the offer that provides the best value for money through a Request for Quotation (RFQ) process.

This RFQ sets out SPC's requirements for a project and it asks you, as a bidder, to respond in writing in a prescribed format with pricing and other required information.

Your participation confirms your acceptance of SPC's conditions of participation in the RFQ process.

Part 2: INSTRUCTIONS TO BIDDERS

2.1 Background

SPC invites you to submit a quotation to deliver the goods as specified in [Part 3](#).

SPC has compiled these instructions to guide prospective bidders and to ensure that all bidders are given equal and fair consideration. Please read the instructions carefully before submitting your bid. For your quotation to be considered, it is important that you provide all the prescribed information by the closing date and in the format specified.

2.2 Submission Instructions

You must **submit your quotation and all supporting documents** in English and as an attachment to an email sent to pwl@spc.int and with the subject line of your email as follows: **Submission RFQ22-4247**. The email should also be copied to rfq@spc.int.

The supporting documents expected in this RFQ are:

- [The Conflict-of-Interest Declaration form](#) completed
- Quote for printing of specified material
- Cover letter providing an overview of workplan, qualifications/experience, and evidence of a social and environmental policy.

Your submission must be clear, concise and complete and should only include a quotation and information that is necessary to respond effectively to this RFQ. Please note that you may be marked down or excluded from the procurement exercise if your submission contains any ambiguities or lacks clarity.

Bids will be evaluated on the basis of information received by **5pm Fiji time (UTC+12) on 15/07/2022**.

2.3 Evaluation & Contract Award

Each quotation validly received will be assessed against the evaluation criteria matrix set out in [Part 4](#). Any changes in the evaluation criteria will result in the RFQ process being re-issued.

SPC may award the contract once it has determined that a bidder has met the prescribed requirements and the bidder's proposal has been determined to be substantially responsive to the RFQ documents, provide the best value for money (highest cumulative score) and best serve the interests of SPC.

In the event of a bid being accepted, procurement will take place under SPC's [General Terms and Conditions of Contract](#) and depending on the value or nature of the procurement, the award will be made by issuing a purchase order or a signed and dated contract, or both.

2.4 Key Contacts

Please contact SPC should you have any doubt as to what is required or if we can help answer any questions that you may have.

Sian Rolls will be your primary point of contact for this RFQ and can be contacted at sianr@spc.int. You should copy any communications into rfq@spc.int.

Details will be kept of any communications between SPC and bidders. This assists SPC to ensure transparency of the procurement process. While SPC prefers written communication in the RFQ process, at any point where there is phone call or other conversation, SPC expects to keep a file note of the exchange, with all forms of communication with prospective bidders to be retained as source documents for the procurement of the goods.

2.5 Key Dates

Please see the proposed procurement timetable in the table below. This timetable is intended as a guide only and while SPC does not intend to depart from the timetable, it reserves the right to do so at any stage.

STAGE	DATE
-------	------

RFQ sent to potential vendors	4/07/2022
RFQ Closing Date	15/07/2022
Award of Contract	22/07/2022
Commencement of Contract	25/07/2022
Conclusion of Contract	5/08/2022

2.6 Legal and compliance

Confidentiality: Unless otherwise agreed by SPC in advance or where the contents of the RFQ are already in the public domain when shared with the bidder, bidders shall at all times treat the contents of the RFQ and any related documents as confidential. SPC will also treat the information it receives from the bidders as confidential.

Conflict of interest: Bidders must take all necessary measures to prevent any situation of conflict of interest. You must notify SPC in writing as soon as possible of any situation that could constitute a conflict of interest during the RFQ process. If you have any familial connection with SPC staff, this must be declared, and approval will then be sought for you to engage in the RFQ process. **In support of your response to this RFQ, you must submit to SPC [the Conflict-of-Interest Declaration form](#) available on our procurement page website: <https://spc.int/procurement>.**

Breach of this requirement can result in SPC terminating any contract with a successful bidder.

Currency, validity, duties, taxes: Unless specifically otherwise requested, all proposals should be in FJD and must be net of any direct or indirect taxes and duties, and shall remain valid for 120 days from the closing date. The successful bidder is bound by their proposal for a further 60 days following notification they are the preferred bidder so that the contract may be awarded. No price variation due to escalation, inflation, fluctuation in exchange rates, or any other market factors shall be accepted at any time during this period.

No offer of contract or invitation to contract: This RFQ is not an offer to contract or an invitation by SPC to enter into a contract with you.

Privacy: The bidder is to comply with the requirements of applicable legislation and regulatory requirements in force for the use of personal data that is disclosed for the purposes of this RFQ. SPC will handle any personal information it receives under the RFQ in line with its [Privacy Policy](#), and the [Guidelines for handling personal information of bidders and grantees](#).

Warranty, representation, assurance, undertaking: The bidder acknowledges and agrees that no person has any authority to give any warranty, representation, assurance or undertaking on behalf of SPC in connection with any contract which may (or may not) follow on from this RFQ process.

2.7 Complaints process

Bidders that consider they were not treated fairly during any SPC procurement process may lodge a protest. The protest should be addressed to complaints@spc.int. The bidder must provide the following information: (1) full contact details; (2) details of the relevant procurement; (3) reasons for the protest, including how the alleged behaviour negatively impacted the bidder; (4) copies of any documents supporting grounds for protest; (5) the relief that is sought.

Part 3: SPECIFICATION OF GOODS

3.1 Background/context

Pacific Women Lead aims to promote women's leadership, realise women's rights, and increase the effectiveness of regional gender equality efforts.

Australia has committed AUD 170 million to the five-year programme, including through its partnerships with the Pacific Community (SPC), women's funds and other development partners. SPC is key implementing partner within the programme, with more than AUD 50 million dedicated to its work.

Pacific Women Lead (PWL) is at the centre of SPC's regional work for gender equality, serving as secretariat to the Pacific Women Lead Governance Board and providing technical, convening and funding support to government ministries, civil society and other partners.

The Pacific Girl programme is funded by Australia and managed through SPC Pacific Women Lead.

As part of the transitional/caretaker role of the SPC PWL Communications team and lead-up to the Pacific Girl programme review, an information pack about Pacific Girl is being prepared for in-country partners and counterparts.

3.2 Functional Specification

The printed materials – a programme highlights document and pamphlet – being procured will be included in an information pack, to be couriered to the appropriate locations in the region.

This will contribute to the overall achievement of the Pacific Girl communications strategy and generally seek to raise programme awareness.

3.3 Design Specification

Where possible, solicitations can indicate costs for both recycled and non-recycled paper options of the printed material.

3.4 Technical specification

Booklet for Pacific Girl:

- Volume: 550
- Size: A5 (A4 folded in half)
- Double-sided print
- Paper: 130gsm gloss art (part recycled), full colour
- Cover: board, matt gloss; full colour; 200gsm (A4 folded)
- Pages: 20 text pages (plus 4pp cover)
- Binding: (printer to advise, Staple bound or saddle stitch)
- Artwork: Supplied

Pamphlet for Pacific Girl:

- Volume: 500
- Size: A4, z-fold
- Double-sided print
- Paper: 100gsm, matte; full colour
- Artwork: Supplied

3.5 Delivery Requirements

Prior to the production of the full volume of the printed product, the supplier must provide proofs to the Communications Officer (Pacific Women Lead – SPC HRSD) for sign-off.

When the full volume of the product is printed, the supplier will deliver the material to the SPC Nabua Campus, with receipt confirmed by a Pacific Women Lead – SPC HRSD staff member.

3.6 Warranty Requirements (when applicable)

n/a

3.7 Reporting Arrangements

The supplier will report to the Communications Officer (Pacific Women Lead – SPC HRSD) for the sign off and approval of deliverables.

3.8 Scope of Bid Price and Schedule of Payments

The contract will be paid in a lump sum basis, with acceptance of the deliverables below required as payment.

The solicitations are expected to provide a confirmation of timeframe, with total costs inclusive of proofs and transport for delivery as well as deliverables.

Milestone/deliverables	Deadline	% payment
Booklet x 550 Pamphlet x 500	3 August 2022	100
TOTAL		100

Part 4: PROPOSAL EVALUATION MATRIX

4.1 Competency Requirements & Score Weight

The evaluation matrix below reflects the obtainable score specified for each evaluation criterion (technical requirement) which indicates the relative significance or weight of the items in the overall evaluation process.

Competency Requirements	Score Weight (%)	Points obtainable
Functional specification: Workplan is provided with relevant production milestones and timeline, including confirmation that a proof will be delivered in advance of printing, clarification of logistics arrangements, packaging and mode/company of delivery.	15%	105
Design specification: Experience in the pre-press production of a range of documents, as evidenced by a portfolio showcasing several different types of recent high-quality print products.	20%	140
Technical specification: Experience producing high-quality staple bound and saddle-stitched products, preferably for a Pacific-based development organisation, with examples given in the printer's portfolio.	20%	140
Qualifications/Knowledge/Experience Professional printer with 10+ years of experience in commercial or academic printing, ideally with a trade certificate or evidence of training and competency in Graphic Design, Digital Print Production, Printing or Lithography.	40%	280
Other: Evidence of a Social and Environmental Policy, especially in relation to the disposal of cartridges and technology, as well as through the use of recycled paper and printing components.	5%	35
Total Score	100%	700
