RFP 23-5477 – Consultancy Services – FSM Adaptation Measure Prioritisation Framework.

Tender Clarifications #1:

Clarification 1

- **Can self-employed/freelancer bid for the RFP?**
Self-employed individuals and freelancers are indeed eligible to participate and submit their bid as long as they follow the labour laws of FSM with necessary registrations.

Clarification 2

- **Qualifications required for this service.**
All qualifications are listed in the “*Skills and Qualifications*” section of the RFP document in page 12.

Clarification 3

- **Is it necessary to fill the Annex 3: Information about the Bidder and Due Diligence for the self-employed and freelancer bidders?**
All bidders, including self-employed and freelancers, are to complete and sign all the annexures and ensure that you fill in the required information where applicable including Annex 3.

Clarification 4

- **Business Registration/License required for self-employed and freelancer bidders.**
Self-employed and freelancer companies can provide Tax Identification Number (TIN) letters or equivalent with photo ID's if they do not have the business registered or business license when the local legislation does not require it.
