equipment and analysers to conduct performance verification
of medical equipment in healthcare facilities in PICTs**

Pre-Bid Meeting Report

Date & Time	22 nd February, 10-11am (Fiji Time)
Attendees	<ul style="list-style-type: none">➤ Prashneel Prakash (Medica Pacifica Pte Ltd)➤ Chelsea (South Austral Pty Ltd)➤ Davis Harra (Pacific Biomed & Consulting Services Pty Ltd)➤ Micheal Anderson (DOMO-TECHNICA PTY LIMITED)➤ Sunema Talapusi (Technical Rep – SPC)➤ Sanjnish Singh (SPC Procurement)

1. What if there are charges levied by the manufacturer or supplier for calibration services?
It is acceptable as long as these charges are clearly outlined in the financial proposal.
2. Will SPC bear the calibration expenses annually?
SPC intends to support countries for the initial 2 years, following which the recipient country is expected to assume these costs.
3. Will user training need to be conducted separately in each country?
No, virtual training methods such as videos or demonstrations are deemed acceptable.
4. Can bidders propose multiple options, models, or brands?
Yes, bidders are encouraged to present various options within their bid submission.
5. Are cables and probes necessary for the patient simulator, and if so, what types are required?
Yes, cables specified in the bid documentation must be included, and various types can be presented as options within the bid.

Bidders to ensure all communication on RFP to be directed to procurement@spc.int email.
