SPC Work Plan in Solomon Islands

01/01/2017 – 31/12/2017

The following table lists key work areas that SPC is undertaking in 2017 in cooperation with Solomon Islands. The country-specific work listed here complements other SPC work undertaken at a regional level to benefit the people of Solomon Islands and achieve its national development priorities. SPC's key regional work is presented in the Pacific Community Results Report.

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
Goal 1: The Pacific region and its people benefit from inclusive and sustainable economic growth				
Fisheries				
1. Strengthen sustainable management of natural resources (fisheries, forestry, land use, agriculture, minerals, water)	Support capacity development in fisheries and aquaculture among PICTs	Ongoing	Capacity development, training and/or mentoring provided to government fisheries staff	Capacity development - Core funding, programme funding, various projects
	Support the sustainable development of aquaculture	Ongoing	Capacity development provided to government and farmers in aquatic biosecurity	MFAT Pacific Aquaculture Dev
	Provide analyses and advice for evidence-based fisheries management	On Track	Coastal fisheries policies and management plans reviewed, updated or developed	Core, MFAT, programme funding
		On Track	Support for coastal fisheries monitoring, control, surveillance and enforcement - database and training	MFAT
		On Track	Improved information and management of beche-de-mer stocks in Melanesian and other participating countries	FFA PROP

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
	Enhance data collection and provide data management services for fisheries and marine ecosystems	Ongoing	Provision of new and updated internet-based tools to acquire and manage tuna fishery data	GEF, programme funding, E-Reporting and E-Monitoring
		Ongoing	Support provided to users of SPC-developed Tuna Fisheries Data Management Systems, through the Oceanic Fisheries Programme (OFP) Helpdesk via 'Slack' online collaboration platform	GEF, programme funding
		Ongoing	Purse-seine or longline logsheet data processed at SPC on behalf of member countries	Core, GEF, programme funding
		Ongoing	Observer workbooks received and processed at SPC on behalf of member countries	WCPFC ROP data management
		Completed	Participants attend 11th Tuna Data Workshop - Support provided to prepare and submit national annual catch estimates	Tuna Data Workshop (WCPFC capacity building)
		Completed	Country assisted with WCPFC reporting obligations, particularly with Western and Central Pacific Fisheries Commission (WCPFC) Annual Report Part 1 (related to its fleet's activities in the WCPFC Convention Area)	Core, GEF, programme funding
		Ongoing	Provision of tuna fishery data summaries responding to various ad hoc national requests (e.g. for access negotiation briefs, etc.)	Core, GEF, programme funding
		Ongoing	Support for development of electronic reporting mechanisms and technologies for improved fisheries data quality and flow, including in-country training and support.	Electronic Reporting
		Completed	Participation in and support for subregional workshop on electronic monitoring (EM) hosted by MIMRA, RMI (participating countries were Solomon Islands, RMI, FSM and Palau). Workshop covered plans for and systems to support the implementation of EM in longline fisheries across the subregion including flow of EM data from countries to SPC's regional database system.	Electronic Reporting and Electronic Monitoring

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
	Provide analyses and advice for evidence-based fisheries management	Ongoing	Ongoing work provided in oceanic fisheries as the 'science provider' to the WCPFC (includes WCPFC members and participating territories)	WCPFC
		Ongoing	Scientific analyses, advice and technical support provided to Pacific Islands Forum Fisheries Agency (FFA)	Core, programme funding
		Ongoing	Analyses and support provided to Parties to the Nauru Agreement (PNA) for Vessel Day Scheme (VDS) and wider fishery management decision-making	Programme funding
		Completed	National bio-economic analyses of longline fisheries	GEF
		Completed	Report on distribution of fishing within exclusive economic zone (EEZ)	GEF
		Completed	Report on seasonality and value of longline bycatch	GEF
		Not Started	Data analysis and advice to support national management of key oceanic species - country-specific assessments	Programme funding, GEF
		Completed	Participants attend introductory or advanced regional Stock Assessment Workshop to build capacity in analysis of ocean stock assessment methods and results	Programme funding
		Ongoing	Report on impacts of fish aggregation device (FAD) closure period	Programme funding
		Ongoing	Analyses and outreach in support of the development of harvest strategies for WCPO tuna stocks	WCPFC, MFAT
	Ongoing	Secure national web pages delivering country-specific scientific advice on the status of oceanic fisheries resources updated and enhanced	GEF	

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
Forestry, land use, agriculture				
1. Strengthen sustainable management of natural resources (fisheries, forestry, land use, agriculture, minerals, water)		Ongoing	Support provided to national processes, through the Ministry of Lands, Housing and Survey, particularly relating to customary land reform and the National Land Board; training and support to produce and finalise new planning schemes for Auki, Gizo and Henderson areas; preparation and submission of new bills for parliament's consideration, including amendments to the Town and Country Planning Act and a new Land Surveyors Act (both passed in February 2017) and a Strata Titles Bill to be tabled later in 2017 - Continued assistance to Ministry to regularise land tenure in Honiara's informal settlements through subdivision planning and facilitating offers of fixed term estates.	Programme of Technical Assistance to the Ministry of Lands, Housing and Survey (Solomon Islands)
	Enhanced management and accessibility of information and data by PICTs and strengthened coordination of knowledge networks	Ongoing	Capacities and priorities of Lands and Survey Departments mapped, and results inform activities and outcomes of Pacific Geospatial and Surveying Strategy	OCG Geodetics
	Strengthened development and management of natural resources, systems and processes	Ongoing	Progress made toward adopting a modern Geodetic Reference Frame that underpins fundamental geospatial systems and applications	OCG Geodetics
		On Track	Coconut rhinoceros beetle (CRB - Guam biotype) spread contained - 2016: Report: Distribution and spread of CRB Guam biotype in Guadalcanal and Western Province (in collaboration with SI Biosecurity)	Plant Health Rhino Beetle
	Capacity to make evidence-based policy decisions on food security, sustainable resource management and economic growth strengthened	On Track	Regional repository of national Agriculture Policy Banks developed in PAFNet portal (infrastructure in place for Solomon Islands)	Agriculture Policy
		Completed	Baseline Study and National Policy Inventory and Analysis (Solomon Islands as part of 15 Pacific countries; to be published)	Agriculture Policy
		Ongoing	Solomon Islands consulted on development of several agriculture policy frameworks (e.g. draft Pacific Regional Extension Strategy)	Agriculture Policy
	Development of sustainable forestry, agriculture, and land use plans, policies, and legislation supported	On Track	Review of Solomon Islands Code of Logging Practice	Forests and Trees - Asia-Pacific Forestry Network
	Increased capacity for sustainable land and forest management	On Track	Cocoa genetic resources developed, and production and post-harvest systems aligned with market opportunities	Cocoa Rehabilitation Project

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
Minerals and water				
1. Strengthen sustainable management of natural resources (fisheries, forestry, land use, agriculture, minerals, water)	Strengthened assessment and monitoring of natural resources, systems and processes	Ongoing	Levelling survey of tide gauges and associated land monitoring stations - Tide gauges are operational and deliver precise water-level information and continuous operating geodetic stations monitor ground movement	OCG Geodetics
		Ongoing	Technical support to maintain regional sea-level monitoring stations - Tide gauges are fully operational and deliver high-quality, sea-level and meteorological data	Climate and Oceans Support Program in the Pacific
		Ongoing	Technical solutions prepared with Pacific Island countries for shared/overlapping EEZ - Technical support for preparations for negotiation meetings for Solomon Islands	Regional Maritime Boundaries Project
		Ongoing	SPC Regional Maritime Boundaries Unit and its project partners assist Pacific Island countries to complete lodgement of their respective boundaries data - Provision of assistance with review of maritime legislation - Once passed by national governments, these domestic laws will be deposited with the UN to fulfil obligations under the UN Convention on the Law of the Sea (UNCLOS)	Regional Maritime Boundaries Project
		Ongoing	Maritime baseline, zone, limits and boundaries developed for Pacific Island countries - Provision of appropriate maritime boundaries data, support and advice to allow countries to develop their technical/ legal solutions (currently supporting development of baselines and outer limits of maritime zones for Fiji)	Regional Maritime Boundaries Project
	Enhanced management and accessibility of information and data by PICTs and strengthened coordination of knowledge networks	Ongoing	Printed annual tide calendar received by relevant agencies and available online to public - Tidal fact sheet and additional information and improvements included with tide calendar for Honiara following user survey	Ocean Information and Knowledge Management

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
Mobility, private enterprises, phytosanitary and biosecurity standards supporting trade				
2. Improve pathways to international markets (mobility, private enterprises, phytosanitary and biosecurity standards supporting trade)	Increased capacity of PICTs to meet standards, guidelines, and conditions for exports and domestic trade - Improved information available on plant and animal health status	On Track	Solomon Islands Biosecurity Operations Manual accessible online	Biosecurity and Trade Facilitation
		Ongoing	Market access information systems updated and maintained - Solomon Islands database field testing for Biosecurity Information Facility (BIF) as Melanesian subregion pilot site	Biosecurity and Trade Support / Animal Health
		Ongoing	Delimiting survey on coconut rhinoceros beetle completed	Plant Health CRB
		Ongoing	Technical support services provided for preparedness in animal health emergency disease response (including unplanned ERP response)	Animal Health
		Ongoing	Technical advice provided on development of import risk assessments for livestock and livestock products	Animal Health
		On Track	Pesticide registration system harmonised in FAO member countries	Plant Health
	Development of pesticide stock management system	On Track	Pesticide registration system harmonised in FAO member countries	Plant Health
Transport and energy				
3. Strengthen sustainable transport and energy security	Strong leadership in the Pacific's energy sector, with good governance, effective multi-sectoral coordination and strategic partnerships, including monitoring and evaluation	Ongoing	Strengthened training networks for climate change adaptation and sustainable energy	PacTVET - Technical and Vocational Education Training - SPC
		Ongoing	Development and establishment of training courses and support facilities within technical and vocational education (TVET) institutions	PacTVET - Technical and Vocational Education Training - SPC
Development statistics				
4. Strengthen access to and use of development statistics in policy development and monitoring progress	National and regional statistics governance is functioning effectively	On Track	Strengthened leadership and management capacity of SI National Statistics Office senior management	DFAT-Strengthen Pacific Statistics_2016-2017

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
	PICTs are producing the agreed core set of statistics across key sectors, including but not restricted to economics, population, CRVS, education and health, as required by their national plans and agreed regional and international reporting frameworks	Completed	Factsheet and posters for Solomon Islands Demographic and Health Survey finalised and published	DFAT-Strengthen Pacific Statistics_2016-2017
		Completed	In-country training held on data analysis and reporting for Household Income and Expenditure Survey (HIES) - Training of 12 participants on data interpretation and production of user-friendly data dissemination products	DFAT-Strengthen Pacific Statistics_2016-2017
	PICTs have the technical capacity to manage and implement all core statistical collections, including key administrative databases, as required by national development plans, including national strategies for the development of statistics	Completed	End-of-mission report on achievement of technical assistance mission objectives - Workshop conducted with Civil Registration and Vital Statistics committee and key stakeholders, June 2017	DFAT-Strengthen Pacific Statistics_2016-2017
		On Track	Data capture process is proceeding efficiently and data is stored in backup server	DFAT-Strengthen Pacific Statistics_2016-2017
		On Track	Tested and finalised data entry screen with validation checks and skip patterns	DFAT-Strengthen Pacific Statistics_2016-2017
Goal 2: Pacific communities are empowered and resilient				
Climate change and disasters				
5. Improve multi-sectoral responses to climate change and disasters		On Track	Improved resilience of food security systems for communities - Support provided in agriculture sector for disaster recovery - Nurseries built, with provision of climate change resilient seedlings, agro-forestry training, youth livelihood development - Youth groups lead implementation of activities to increase capacity and livelihood options	TC Pam Rehabilitation

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
	Strengthen assessment and monitoring of natural resources, systems and processes	On Track	Attendance at Pacific Islands Emergency Management Alliance (PIEMA) coordination meetings supported	Building Safety and Resilience in the Pacific (EDF 10 ACP-EU)
		On Track	Warning and alert messages for a range of hazards reviewed and revised, with a focus on increasing community members' understanding	Building Safety and Resilience in the Pacific (EDF 10 ACP-EU)
		On Track	Preparatory work for construction of National Emergency Operation Centre (NEOC) completed	Building Safety and Resilience in the Pacific (EDF 10 ACP-EU)
		On Track	Revised post-disaster assessment model adopted and used by all stakeholders	Building Safety and Resilience in the Pacific (EDF 10 ACP-EU)
		On Track	Support for formal qualifications and disaster risk management capacity building for National Disaster Management Office (NDMO) technical staff	Building Safety and Resilience in the Pacific (EDF 10 ACP-EU)
		On Track	Attendance at regional Disaster Risk Management meetings supported	Building Safety and Resilience in the Pacific (EDF 10 ACP-EU)
		On Track	Develop village Disaster Risk Reduction/Climate Change Adaptation Plans and early warning systems in Makira/Isabel - 1st CCDRR visits completed in 2016	Building Safety and Resilience in the Pacific (EDF 10 ACP-EU)
		On Track	National Emergency Operations Centre built	Building Safety and Resilience in the Pacific (EDF 10 ACP-EU)
	Capacity to mitigate and adapt to climate change and to respond to disasters for land, agriculture, and forest resources developed and strengthened	On Track	REDD+ phase 2 work on forest conservation in Solomon Islands supported	REDD Regional Programme on Climate Change
		On Track	Awareness raising and training on REDD+ conducted - Support for development of full NFI roadmap - Support for implementation of REDD+ pilot site - Support for development of awareness and training materials	REDD Regional Programme on Climate Change
	Increased capacity of sustainable land and forest management - Disaster rehabilitation	On Track	Insect pest and disease survey conducted to determine status of biological control agents	TC Pam project
		On Track	Livestock scoping interventions supported	TC Pam project
		On Track	Procurement of agroforestry seedlings, seeds and cuttings - Replanting of agroforestry species (cocoa, coconut and cultural trees) - Capacity building	TC Pam project

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
Human rights, gender equality, cultural diversity and opportunities for young people				
6. Advance social development through the promotion of human rights, gender equality, cultural diversity and opportunities for young people	Enhanced community-based approaches and national management arrangements, incorporation of ecosystem-based principles, and coastal fisheries legislation	On Track	Assessment of gender and human rights issues in coastal fisheries	Coastal Fisheries Legislation, Policy and MCS
	Pacific peoples adapt to their changing environment while protecting and promoting their rights, assets and identity	On Track	Support for gender mainstreaming process in fisheries sector	Progressing Gender Equality in PICTs
		On Track	Report of recommendations from workshop on strengthening the role of central agencies in governments in supporting gender mainstreaming across government policies, programmes and services	Progressing Gender Equality in PICTs
		On Track	Increased employment and entrepreneurship start-ups for youth in Gizo and Malaita - Provision of training, internships and opportunities to start own businesses, with training and materials, to youth in provinces	Youth@Work Provinces
		Ongoing	Provision of training, internships and opportunities to start own businesses, with training and materials, to youth in Honiara	Youth@Work Honiara
		Ongoing	Increased employment and entrepreneurship start-ups for youth with disabilities and vulnerable youth in Honiara - Provision of training, internships and opportunities to start own businesses, with training and materials, to youth with disabilities in Honiara	Youth@Work PLUS
		Completed	Technical assistance to Women's Division to establish information management systems - Gender information management system structured and key documents compiled	Progressing Gender Equality in PICTs
		Ongoing	Technical assistance provided to develop reporting template and system for progressing gender equality in PICTs	Progressing Gender Equality in PICTs
		On Track	Development of two-day Gender Mainstreaming Module for IPAM/Ministry of Public Service	Progressing Gender Equality in PICTs
		On Track	Gender analysis and review of selected Institute of Public Administration And Management materials conducted	Progressing Gender Equality in PICTs

SPC development objective	Ongoing	Capacity of Women’s Development Division to implement gender mainstreaming increased	Progressing Gender Equality in PICTs - 7236
	On Track	Technical assistance to Ministry of Public Service to develop a Gender Equality and Social Inclusion Strategy	Progressing Gender Equality in PICTs
	On Track	Peer review of Ministry of Education gender equality policy	Progressing Gender Equality in PICTs
	On Track	IPAM staff able to deliver gender mainstreaming training - IPAM training materials for gender mainstreaming ready for use	Progressing Gender Equality in PICTs
	On Track	Solomon Islands Gender Mainstreaming Strategy ready to be used	Progressing Gender Equality in PICTs
	On Track	Solomon Islands Gender Mainstreaming Strategy ready to be used	Progressing Gender Equality in PICTs
Effective shared agendas, regional platforms and institutions	On Track	Report of recommendations from regional conference of Pacific women and Ministers and Senior Government Officials Meeting (2-5 October 2017)	Progressing Gender Equality in PICTs
	On Track	Support for engagement on gender equality and exchange and learning, and organisation of 13th Triennial Conference of Pacific Women	Progressing Gender Equality in PICTs
	Not Started	Technical assistance for new PPA consultation and SI Government feedback on priorities for advancing gender equality in the region	Progressing Gender Equality in PICTs
	Ongoing	National Culture Policy Peer Review and Learning Meeting held	Culture - Regional Culture Strategy Review Working Group
	Ongoing	Work with Office of the Pacific Ocean Commissioner (OPOC) to compile data on the cultural dimensions of the ocean	Culture - Cross-sectoral work
	Completed	Regional Culture Strategy Review Working Group meeting	Culture - Regional Culture Strategy Review Working Group
	On Track	Regional Culture Strategy Review Working Group meeting held	Culture – Regional Culture Strategy Review Working Group

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
		On Track	Implementation of Youth@Work programme and transition to government ownership managed	Youth employment
		Ongoing	Distribution of development support mapped to identify gaps and reach for Pacific Youth Development Framework (PYDF)	PYDF Regional Coordination
		On Track	Technical assistance to LGBTI Youth-net to develop strategic communication strategy and facilitate online dialogue for policy engagement - Technical assistance provided to PYDF partners to increase strategic communication to engage and strengthen commitment of governments and development agencies and youth to PYDF implementation	PYDF Regional Coordination
		On Track	Partnership with Commonwealth Secretariat, ILO and Pacific Youth Council (PYC) to advance strategic policy commitments to youth entrepreneurship - Partnership with ADB to strengthen evidence base on youth unemployment	PYDF Regional Coordination
		On Track	Pacific Regional Youth Think Tank Symposium conducted - Pacific Regional Youth Think Tank brings expertise together to support informed decision-making on catalysing youth investment	PYDF Regional Coordination
		On Track	State of Pacific Youth report and regional youth indicators published through multi-agency partnership - Standard set of youth indicators available to analyse the situation of youth through routine surveillance	PYDF Regional Coordination
		Ongoing	Technical assistance provided to develop Pacific Young Women's Leadership Alliance (PYWLA) structure and strategic plan -Engagement of PYWLA at Triennial Conference of Pacific Women facilitated	Youth engagement
		Ongoing	General Assembly with PYC Executive/ country participation for Donor and Development Partner Roundtable - Partnership agreement with PYC signed	Youth engagement
		On Track	Establishment of LGBTI Youth-net, through partnership and technical assistance to Pacific Sexual Diversity Network	Youth engagement
	Pacific Island governments promote/ protect human rights and fulfil human rights commitments	Not Started	MPs' Human Rights Dialogue conducted	DFAT
	Women and girls have increased access to justice in cases of domestic violence	Ongoing	Training and mentoring on Family Protection Act provided to justice sector	DFAT (Pacific Women)
		On Track	Access to Justice Project supported (training community-based Authorised Justices)	UN Trust Fund

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
	Civil society and communities promote human rights, gender equality and End Violence Against Women (EVAW)	Ongoing	In-country mentoring provided through Pacific People Advancing Change (PPAC) project	Pacific Leadership Program
Goal 3: Pacific Island people reach their potential and lead long and healthy lives				
Non-communicable diseases and food security				
7. Improve multi-sectoral responses to non-communicable diseases and food security	Strength political leadership and ownership at national and regional level	Completed	Advocacy meeting conducted to develop NCD strategies and include them in national development agendas	PHD Policy Planning and Regulation - (PPRP activity 7.1.3)
		Not Started	Senior public servants attend relevant training courses or inter-country shared learning program	PHD Policy Planning and Regulation
	Strengthen healthy public policy and legislation in all relevant sectors	Ongoing	Consultations on, or advocacy meetings for, development/review of NCD and food security policies (e.g. taxation of sugar-sweetened beverages)	PHD Policy Planning and Regulation
		Ongoing	Policies and legislation, that address social and economic determinants of NCD developed (e.g. taxation of sugar sweetened beverages)	PHD Policy Planning and Regulation - (PPRP activity 7.2.2)
		Ongoing	Participation in Food Based Dietary Guidelines (FBDG) review and FBDG developed	PHD Policy Planning and Regulation - (PPRP activity 7.2.3)
	Enhance NCD prevention and control by strengthening the commitment of multiple sectors	Ongoing	Multi-sectoral national NCD plans developed/reviewed	PHD Policy Planning and Regulation
		Ongoing	Multi-sectoral NCD and food security committee established/strengthened	PHD Policy Planning and Regulation
		Not Started	NCD committee members trained on basic NCD issues	PHD Policy Planning and Regulation
		Ongoing	Assistance for development/submission of funding applications/proposals to support government sectors, NGOs, etc. (e.g. Diabetes and Tuberculosis Project proposal)	PHD Policy Planning and Regulation - (PPRP activity 7.2.7)
	Build capacity and knowledge for effective implementation/action	Not Started	Support provided to strengthen national diabetes association	PHD Policy Planning and Regulation - (PPRP activity 7.2.4)
Ongoing		Information, education and communication resources needs identified, and information procured/developed and distributed	PHD Policy Planning and Regulation - (PPRP activity 7.2.6)	

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
	Increase accountability - research, monitoring, evaluation and surveillance	Ongoing	M&E frameworks developed/ revised for National NCD and food security plan	PHD Policy Planning and Regulation
	Agrobiodiversity conserved	Ongoing	Safety maintenance of Pacific regional crop and tree collections strengthened to ensure Solomon Islands has crop reserves available to respond quickly to disasters	CePaCT Global Crop Diversity Trust Regeneration & Safety Duplication Intra – ACP Agriculture Policy Programme
		Ongoing	Mass plant propagation using bioreactors, screening, preparation and distribution of improved crop diversity (nutrient-rich, pest and disease resistant, climate-resilient)	CePaCT Global Crop Diversity Trust Regeneration & Safety Duplication Intra – ACP Agriculture Policy Programme
	Improved and resilient food production systems	Ongoing	Provision of technical assistance for screening, evaluation and documentation of new, resilient crop varieties	CePaCT - (FAO Treaty Access Benefit Sharing)
		Ongoing	Resilience of Pacific agricultural systems to climate change strengthened	CePaCT - (FAO Treaty Access Benefit Sharing)
	Improve the dissemination and adoption of agricultural production technologies	On Track	Rural Advisory Services (RAS) capacity to effectively service the farming community increased	Intra – ACP Agriculture Policy Programme
	Public health surveillance			
8. Strengthen regional public health surveillance and response	Improve capacity and standards of PICT laboratories	Ongoing	Laboratory Quality Management System (LQMS) training conducted	PHD REI work
		Ongoing	LQMS assessments carried out	PHD REI work
		Completed	IATA training conducted	PHD REI work

SPC development objective	Divisional business plan objective	Status	Outputs taking place or expected to commence this year	Programme/Project
Education quality				
9. Improve education quality	Improved performance of teachers and principals	On Track	Support for countries to develop monitoring and evaluation tools to track progress of education strategic plan	Pacific Benchmarking for Education Results
		On Track	National principal attributes/criteria developed - Education officers trained - Implementation manual and programme developed - Data analysis and report produced on effectiveness of principal performance	EQAP Research Section
		On Track	National and regional benchmarks and enabling policies are in place to improve performance of education systems	Pacific Benchmarking for Education Results
	Provision of high quality programmatic technical services and policy advice	On Track	Provision of ongoing technical support to countries on research	EQAP Research Section
		On Track	Enhanced and improved capacity of national research experts to conduct in-country research and use research findings and recommendations to inform educational reforms	EQAP Research Section
	Raising of students achievements in literacy and numeracy	On Track	Technical assistance provided for assessment and monitoring of early grade reading assessment	Improving Literacy and Numeracy
		Ongoing	Technical assistance provided for assessment and monitoring of literacy, numeracy and life skills in the Pacific	Improving Literacy and Numeracy
		On Track	Capacity enhanced on unpacking of learning outcomes, and development and identification of skills bands for consistency of teaching and assessment	Regional Qualifications and Assessment for Learning
		On Track	Improved capacity for development of intervention resources and consequently for teaching of literacy and numeracy	Regional Qualifications and Assessment for Learning
	Strengthening national accreditation and assessment systems	On Track	Improved capacity of education officers, teachers, and school leaders to improve the quality of regional qualifications and support process of national examinations	Regional Qualifications and Assessment for Learning
		On Track	Relevant technical and advisory support for accrediting agencies and education and training institutions provided	EQAP Accreditation
	Increasing PICTs education capacity to manage and use high quality valid and reliable data to inform policy and decision making	On Track	Development of training materials, user's manual and documentation for SEMIS (Solomon Islands Education Management Information System)	EQAP EMIS Section
		On Track	SEMIS enhanced with integration of national examination results and PacSIMS into system	EQAP EMIS Section
		On Track	Training for stakeholders and end-users conducted in six provinces to improve accessibility to SEMIS	EQAP EMIS Section
